WestPeak Surfcoast: 2 Felix Street, Grovedale, Victoria 3216

At WestPeak Vermont, we want all our residents to thrive. In all aspects of wellbeing and health. This includes spiritual, social, physical, intellectual and aesthetic needs.

SRS LIVING:

Transitioning to Supported Accommodation is a big decision. We understand that it can be stressful time and full of doubt. At Westpeak Vermont, we promote independence as appropriate amongst our residents through engaging in various activities, programs and education. Instead of losing independence, we encourage our residents to maintain it!

Our experienced team at WestPeak Vermont, you will receive exceptional care and we are here for you.

Your room will include all furnishings, we do encourage you to bring along personal items to help it feel and look like your own space.

We encourage you to keep your GP. If you are unable to, the staff will be more than happy to assist you in finding another GP.

STAFFING:

All staff have a minimum of the following qualification:

- Certificates III-IV in aged care/individual support, mental health and/or disability.
- All staff have first aid (HLTAID003) as well as Mental Health First Aid and all staff are required to keep qualifications updated. Staff will get reminders when certificates need to be renewed. Westpeak is committed to the training and development of the staff at all of the sites.

All staff are trained professionals who undergo a precise interview process before being selected to work for WestPeak Vermont. All staff are reference checked and police checked regularly to give you and your loved one's peace of mind. We honor ourselves on having professional and considerate staff members

LEISURE AND LIFESTYLE
